RE: BZA Application No. 14354
Rear addition premises
4415 17th Street, N.W.

Dear Ms. Jackson:

The above-numbered application was scheduled for the Public Hearing of October 23, 1985. Immediately prior to that date you were advised that it appeared if modifications were made to your plans you would not require relief from the BZA. Since that time this office was advised by Mr. Danzigh by phone that it was the intention of the applicant to withdraw the application. Mr. Danzeger was advised to submit the request in writing. This has not been done. Several phone call from the staff of this office particularly on October 22, 1985, October 24, 1985, November 7, 1985 and November 12, 1985 were unresponsive to the staff's recommendation that the withdrawal request be submitted in writing. The record cannot remain open indefinitely. Accordingly you are advised that the above-numbered application has been WITHDRAWN. No further action will be taken on this application. If you have any question please write this office at 1350 Pennsylvania Avenue, N.W., Washington, D.C. 20004 Room 11.

Very truly yours

Cecil B. Tucker
